

HOUSEKEEPING RULES

1. Every delegate/user will be allotted a unique login id and password
2. Multiple logins from a single id is not allowed and will automatically logout the user from the platform
3. Once logged in, delegates/users will be able to see a navigation video of the event. All delegates/users should check this video for ease of movement within the platform
4. The event is compatible across all devices; however, for better viewing we recommend using a laptop or desktop. Please ensure quality headphones or a good speaker for optimal sound during the sessions
5. Questions during the session are to be addressed through the Q & A box inside the session halls
6. Every entry point in the event will be marked by a blinking light for ease of recognition for the delegates
7. All delegates must ensure to have Broadband/4G internet speed or above for a seamless experience of the event
8. For any assistance, users/delegates can connect at the virtual help desk
